**Re: MEMBERSHIP OF THE COLLEGE**

As you have completed Clinical Pastoral Education units with the NSW College of Clinical Pastoral Education Inc., you are eligible to become a member of the College. A copy of the Constitution and other information can be found on the College's website.

This membership will enable you to receive access to seminars, conferences and other functions throughout the year at a reduced rate. You will also be given access to the Milton Coleman Pastoral Care Library, which enables you to access journal articles for research and study purposes. You would also receive bi-annual newsletters to keep members informed of what is happening at our CPE Centres and within the College.

If you are interested in becoming a member of the College, please complete the attached form and return it to me at the College office. Your application will be submitted to the next available Executive Meeting for consideration and you will be notified of acceptance soon after the meeting. The yearly membership fee is \$50; however, for the first year an admission charge of \$10 is included so the initial fee is \$60. Each year you will receive a membership renewal notice with an invoice, and the form should be completed and returned to the office with your payment. This is usually sent out in April each year.

If you would like any further information about membership, please do not hesitate to contact me.

Yours sincerely,
