

2025 UNIT OFFERINGS

BIBLE & THEOLOGY

Morling College including Vose and Malyon Campuses

ENROLMENT GUIDELINES: CHOOSING A MODE

For international students: the default mode is face-to-face (not livestream), enrolling as an on campus student, which is part of your visa conditions. (Up to 25% of your course can be conducted online, subject to approval. Contact student services to discuss.)

For all other students:

Face-to-face: If you're available at the scheduled class time and can physically get to the campus, then enrolling for face-to-face classes as an on campus student is the recommended option. Studying together with others is a great way to stay motivated, to learn through interacting with other students (informally, as well as during class time), to have easy access to the library, and to be eligible for transport concession benefits. In this mode, the ACT requires you to attend at least 80% of your classes in person (not via livestream). If you miss more than 20% of your classes due to excusable absences, you will then need to catch up on the missed content—usually by accessing the livestream or class recording. (Excusable absences include illness/medical isolation, unforeseen family/compassionate circumstances, and misadventure, but not "I didn't feel like driving in today.")

Livestream: If you're available at the scheduled class time but don't live nearby or can't physically get to the campus, livestream is the best option, so you can participate in the class in real time. You will be enrolled as an off campus student, and will not be eligible for transport concessions.

Online/recorded video: If you're unavailable at the scheduled class time, you can enrol in either of these modes, where available. You will be enrolled as an off campus student, and will not be eligible for transport concessions. If you are enrolled as an off campus student, you are warmly invited to join the face-to-face class if there are weeks you are able to make it. (Ideally, check with the lecturer beforehand to see what material will be covered and to be aware of any pre-reading.)

ENROLMENT GUIDELINES: CHOOSING A LEVEL

It's important that you enrol at the correct AQF level. The course you are enrolled in will have rules about what levels you can enrol in, and how many you can take at each level. Please consult carefully with the information on the Course Planning section of Moodle, and see your course advisor if you need help. In general:

Diploma & Undergraduate Certificate: study at level 5, although you are permitted to take units at level 6.

Advanced Diploma: mostly level 5, but at least 24 credit points (cps) at level 6.

Associate Degree: mostly level 5, but at least 48 cps at level 6.

BMin, BTh: maximum of 144 cps at level 5, minimum of 72 cps at level 7.

BCS: maximum of 96 cps theological study at level 5, minimum of 72 cps at level 7.

BDiv: commence at level 6, minimum of 144 cps at level 7.

Grad Cert/Dip: all units at level 8 or above.

MDiv/MMin: commence at level 8. Minimum of 36 cps at level 9 for continuing students; minimum of 96 cps at level 9 for students enrolling from 2022.

MTS: commence at level 8. Minimum of 36 cps at level 9 for continuing students; minimum of 60 cps at level 9 for students enrolling from 2022.

Capstone Units (level 9): Units marked with a C are available as capstones at level 9 (enrol in XX205-912 where XX is the field code). A capstone experience is based on the content of a particular unit, but the capstone assessment requires students to integrate learning from different fields of study. Some Masters awards require a capstone OR a research project. Students can attempt more than one capstone, but no more than one in a given field.

Specialised Studies Units (level 9): Units marked with an S are available as Specialised Studies units at level 9 (enrol in XX206-912 where XX is the field code). This is similar to a capstone (above) in that it is based on a particular unit with a different set of assessments. Unlike a capstone, it is more specialised/research-focused rather than integrative of different fields of study. Students can attempt any number of specialised studies unit in the same field.

Original Language exegesis units can be made available by arrangement as Specialised Studies units at level 9 (OT/NT207-912) but should be the exception (to meet course requirements) rather than the rule. These units are best completed at level 8, and should only be attempted at level 9 after discussion with a course adviser. MDiv students should plan their studies to complete their two original language exegesis units at level 8.

ThC (Certificate in Theology): these ACT awards are not part of the Australian Qualifications Framework. Enrol only in units designated as ThC (separate section, below).

Guide to the unit delivery modes

The unit schedule uses the following symbols for the different modes available:

Face-to-face options: If this mode is chosen, it is a requirement that you attend at least 80% of class hours to successfully complete the unit. Ideal for those who live near the campus and are available at the scheduled time.

-  **Sydney: daytime class**, face-to-face on our Sydney Campus in Macquarie Park, NSW.
-  **Sydney: evening class**, face-to-face on our Sydney Campus in Macquarie Park, NSW.
-  **Perth: daytime class**, face-to-face on our Perth (Vose) Campus in Bentley, WA.
-  **Perth: evening class**, face-to-face on our Perth (Vose) Campus in Bentley, WA.
-  **Brisbane: daytime class**, face-to-face on our Brisbane (Malyon) Campus in Gaythorne, QLD.
-  **Brisbane: evening class**, face-to-face on our Brisbane (Malyon) Campus in Gaythorne, QLD.
-  **Melbourne: daytime class**, face-to-face on our Melbourne (Crossway) Campus in Burwood East, VIC.
-  **Melbourne: evening class**, face-to-face on our Melbourne (Crossway) Campus in Burwood East, VIC.
-  **Adelaide: daytime class**, face-to-face on our Adelaide Campus.
-  **Adelaide: daytime class**, face-to-face on our Adelaide Campus.
-  **Monday night live: evening class** via livestream (individual OR church group enrolment).

Other delivery modes:

-  **Livestreamed video lectures.** Lectures which are open to live, interactive attendance via the Zoom platform will display this icon. If this mode is chosen you are required to attend 80% of livestream class hours. This is ideal for those who are unable to get to the campus but are available at the scheduled time and wish to interact with the lecturer and other students. [Check the face-to-face timetable for livestreamed lecture times](#) from Sydney and Perth. Some units will be only available via livestream.
-  **Recorded video lectures** (watching/listening to a recording of the lecture at a different time). This is a good option for those who are unavailable at the lecture time, but would still like to watch the full lectures. Students are also encouraged to attend the online virtual classroom sessions. (Not all units will be available in this delivery mode due to the confidential nature of some of the content/discussion.)
-  **Online materials** (e.g. short videos, lecture notes, curated readings, discussion forums). Most online units also have several real-time, online virtual classroom sessions focused on discussion and assignments. This is a good option for those who are unavailable at the lecture time, and prefer materials specifically developed for self-direct online learning. Any RV lectures are also available to ONL students.
-  **Online Plus.** An online unit with frequent livestreamed sessions which are integral to the unit content. Attendance in real time OR watching the recording of those sessions is compulsory.
-  **Intensive:** several consecutive full days of face-to-face lectures with an additional online component of between 20% and 60% to be completed individually. The face-to-face component may be available via livestream if the livestream icon is displayed.
-  **Semi-intensive:** several half/full days of lectures spread over a semester (or full year for some units), most with an additional online component to be completed individually. The face-to-face component may be available via livestream if the livestream icon is displayed.
